

# THE ONLY ORTHOTIC PROVEN TO IMPROVE YOUR GOLF GAME!

Research PROVES Foot Levelers' ParFlex Plus®  
Spinal Pelvic Stabilizers improve your golf game.

- Helps wearer hit golf ball 9-15 yards farther
- Increases club head velocity 3-5 mph
- Improves the body's alignment
- Helps reduce fatigue

- Published in JMPT, 1997-2001

## ParFlex Plus® Stabilizers can make the difference.

- Extra comfort with a TechCel Lite™ top
- Absorbs damaging heel shock with Zorbacel®
- Gives variable firmness and flexibility during lateral weight shifts with StanceGuard™
- Increased forefoot stability during follow through with a phalangeal bar
- Two built-in magnetic strips\* for an advantage of extra energy on the course

\*Do not use magnets if you are wearing a pacemaker or electrical implant of any kind, or if you are pregnant.

## Take the next step to a better game!
